

Alex Allen

Spending 3 years at Northbrook I left after graduating with a BA in Lighting and Sound. After working for a year in a trampoline park I got my foot in the door of the industry and I started working as an in house technician at **Trinity Laban Theatre** in London.

After that I got a job as **Stage Crew** on a Christmas panto and from there I landed a job touring the UK on a '**Strictly come dancing**' tours, rigging and relighting in each venue. I now work full time for '**Yes Events**' working on a range of events from weddings to installs and gigs.
