

Philip Thackray

Philip Thackray is a Freelance Live Event Technician. Philip was a student of Theatre Production: Sound and Lighting design 2012-2014 at Northbrook College which led to his first job with Worthing Theatre as a Technical Intern. Philip now works mainly in large outdoor events and pop up Fringe venues. He has a skill set bias towards Sound and Stage. He has a portfolio career currently working as: Senior Build Crew and Event Supervisor with T-Bats, an inflatable obstacle company that yearly organises Gung-Ho 5K and The Color Run UK. Touring Technical Crew for Paines Plough, a touring theatre company that runs a number of small scale tours and a yearly mid scale tour of the pop up venue "Roundabout Theatre". Philip has been working as part time Stage Crew at Theatr Clwyd and various Crewing Companies for a number of years.

Philip Thackray

Personal Profile.

I am a creative, hard working and adaptable young man. I am looking for a position in which I can continue to increase my skills. I am willing to take on various tasks to gain the valuable experience necessary to succeed in my chosen industry. I am very reliable and punctual and aim to finish the job to the highest standard, which can be expected.

Key Skills.

- I have nine GCSE A* to C including English Language, Mathematics, 21st Century Science and ICT.
- I have experience with using CAD software to draw ground plans.
- I can work in a team however at the same time also thrive working by myself as I am extremely self-motivated.
- I am fairly strong and enjoy manual handling from working as stage crew and doing working as a laborer.
- I can use a number of different power tools that I've used to build sets, do repair work and any other job that might be needed.
- I have experience running site power with multiple generators.
- I regularly instruct local crew on loading and brake down of events.
